*Film viewing and panel discussion event
August 15 at 5:00 PM at the Pickford Film Center*

PICKFORD *Film* CENTER

In honor of National Community Health Center Week, Unity Care NW and Sea Mar are sponsoring an informative evening to discuss and raise awareness of the opioid crisis sweeping the nation and affecting our community.

Frontline and PBS (the makers of the documentary) describe the film as a searing, two-hour investigation that places America's heroin crisis in a fresh and provocative light. It tells the stories of individual addicts, but also illuminates the epidemic's years-in-the-making social context, deeply examining shifts in U.S. drug policy, and exploring what happens when addiction is treated like a public health issue, not a crime.

- 5:00 - Join Unity Care NW and Sea Mar for a reception before the film
- 5:30 – 7:30 – Film viewing
- 7:30 - Panel discussion with local experts

Tickets are **FREE** for this sponsored event but must be obtained prior to the film time in order to secure your spot. Stop by the Pickford Film Center at 1318 Bay St to get tickets.
